

At your side to insure your business

Corporate Solutions

Liability

We are at your side to protect your business and brand value

In an increasingly complex world, multinational companies with more than 5000 employees have to face new challenges:

INCREASING FREQUENCY OF LIABILITY LOSSES

MORE AND MORE REGULATIONS

DEVELOPMENT OF CLASS ACTIONS

HIGH COST OF PRODUCT RECALL

How we can stand at your side, protecting your business and brand value

We insure

to cover the financial consequences of the injuries or damages caused to third parties or to the environment

We serve

to facilitate your business by managing your insurance program

- instant response to insurance certificate request,
- real-time update on your international program's implementation
- knowledge of countries' regulation"

We prevent

to help you assess and mitigate your risks so that your risk management strategy is built on informed decisions

- product recall, product safety
- accident prevention,
- reputation and brand image,
- environmental risks

We handle claims

to give you peace of mind

- in-house claims handling and 24/7 access to key claims experts
- 500 claims experts worldwide
- 90% of brokers and clients are satisfied or highly satisfied by our claims handling (AXA CS 2017 NPS survey)
